Justification: **a)** Nikolay Zhernov is the Director of LLC “Aerofregat”. That company is active in the Russian military and industrial complex, namely in the development and production of unmanned aerial vehicles (UAVs). Since 2024, it has developed two specific UAV models, named “Kasatka” and “Tribunal”, both of which have military application and have been used in Russia’s war of aggression against Ukraine. **b)** Therefore, Nikolay Zhernov is supporting and implementing actions or policies which undermine and threaten the territorial integrity, sovereignty and independence of Ukraine. **Other information:** **a)** Function: Director of LLC “Aerofregat” **b)** Associated entities: LLC “Aerofregat” **Modifications:** Listed on 3 Jun 2025

SSID: 175-93533 **Name:** Morozova Elena Alexandrovna **Spelling variant:** МОРОЗОВА Елена Александровна (Russian)

Sex: W **DOB:** 7 Feb 1972 **Nationality:** Russian Federation

Justification: Elena Morozova is the Director of the State Museum-Preserve “Tauric Chersonese”, a museum operating in Sevastopol. Since the annexation of Crimea, the museum has actively undermined Ukrainian cultural heritage by promoting pro-Russian narratives regarding the cultural significance of the artefacts and excavation sites it administers. Following Russia’s full-scale invasion of Ukraine, the museum has used its platform to promote the invasion and the actors perpetrating it, including organising deliveries of supplies to the frontlines. Therefore, Elena Morozova is responsible for actions or policies which undermine or threaten the territorial integrity, sovereignty and independence of Ukraine, or stability or security in Ukraine. **Other information:** **a)** Function: Director of the State Museum-Preserve “Tauric Chersonese” **b)** Tax Individual Number: 780428224742 **Modifications:** Listed on 3 Jun 2025

SSID: 175-93541 **Name:** Kuzyakin Dmitry Vasilevich **Spelling variant:** КУЗЯКИН Дмитрий Васильевич (Russian)

Sex: M **DOB:** 29 Jun 1974 **Nationality:** Russian Federation

Justification: **a)** Dmitry Kuzyakin is the founder, General Director and co-owner of LLC “Center for Integrated Unmanned Solutions”, a company that is part of the Russian military and industrial complex. LLC “Center for Integrated Unmanned Solutions” deals with the full cycle of first-person view (FPV) systems for combat use, from training personnel in piloting and effective use to production of end devices and ground equipment. Based in Zhukovsky in the Moscow Oblast, which is the centre of Russian aviation research, LLC “Center for

Integrated Unmanned Solutions” develops and produces unmanned aerial vehicles (UAVs) which are provided to the Russian Armed Forces and used in Russia’s war of aggression against Ukraine. **b)** Therefore, Dmitry Kuzyakin is supporting materially actions or policies which undermine or threaten the territorial integrity, sovereignty and independence of Ukraine, or stability or security in Ukraine. He is also supporting Russia’s military and industrial complex, including by being involved in the development, production or supply of military technology and equipment. **Other information: a)** Function: General Director and co-owner of LLC “Center for Integrated Unmanned Solutions” **b)** Tax Identification Number: 501306766736 **Modifications:** Listed on 3 Jun 2025

Nationality: Russian Federation

Justification: a) Sergey Kogogin is General Director of KAMAZ Publicly Traded Company (KAMAZ PJSC). **b)** KAMAZ PJSC is a Russian developer and manufacturer of vehicles and military equipment. It produced KAMAZ-5350, KAMAZ-6350 and KAMAZ-6560 vehicles, which are used by the Armed Forces of the Russian Federation during Russia’s war of aggression against Ukraine. In November, KAMAZ PJSC referred to its factory operating at the limits of its capacity to meet arms orders. It also published a video in April 2022 using the “Z” symbol, expressing support for the operation in Ukraine. **c)** Therefore, as General Director of KAMAZ PJSC, Sergey Kogogin is supporting actions which undermine and threaten the territorial integrity, sovereignty and independence of Ukraine. He is also supporting Russia’s military and industrial complex and is associated with KAMAZ PJSC.

Sex: M **DOB:** 6 Aug 1971 **Nationality:** Russian Federation

Justification: a) Vladislav Kuzhel is the only shareholder of LLC “Moscow Arms Company”, which manufactures weapons and ammunition, notably sniper rifles of the Raptor Tactical and Specter series, for the Armed Forces of the Russian Federation. Since 2022, sniper rifles of the Raptor series are used by Russian Armed Forces snipers in Russia’s war of aggression against Ukraine. LLC “Moscow Arms Company” improves the design of its manufactured rifles in coordination with the Russian Armed Forces and the Russian University of Special Forces (Gudermes). Sniper rifles produced by LLC “Moscow Arms Company” are actively used by Russian snipers at the frontline. At least 350 sniper rifle complexes manufactured by LLC “Moscow Arms Company” have been provided to the Russian Armed Forces. **b)** Therefore, Vladislav Kuzhel is supporting actions which undermine and threaten the territorial integrity, sovereignty and independence of Ukraine.

Justification: Nikolay Rogalev is the rector of the National Research University "Moscow Power Engineering Institute", which is a public university in Russia. It is actively participating in the "Universities for the Front!" campaign coordinated by the Ministry of Science and Higher Education of the Russian Federation. As part of that campaign, Russian universities send material aid to Russian soldiers participating in the war of aggression against Ukraine. The Moscow Power Engineering Institute is involved in such activities. Its students and staff send equipment (such as backpacks, bulletproof vests, tactical first aid kits and stretchers) to soldiers. At the experimental lab of the Institute, sapper equipment and stoves for soldiers have been produced and then shipped to soldiers at the frontlines. As the rector of the National Research University "Moscow Power Engineering Institute", Nikolay Rogalev is therefore supporting and implementing actions or policies which undermine or threaten the territorial integrity, sovereignty and independence of Ukraine. **Other information: a)** Function: Rector of the National Research University "Moscow Power Engineering Institute" **b)** Tax Identification Number: 501707136280 **Modifications:** Listed on 3 Jun 2025
